

Did you know....

Trego County Economic Development (TCED) continues to work hard assisting our current entrepreneurs, new business ventures as well as current residents throughout the county.

The NEIGHBORHOOD REVITALIZATION PROGRAM has returned to Trego County! In short, this is a tax rebate program meant to assist homeowners as well

as commercial property owners/business owners who wish to improve their home and/or business site in Trego County. This program is already attracting the attention of investors visiting various parts of Trego County – as they consider the available incentives with which to complete new builds and/or renovation.

Please contact The Appraisers Office for more information at 785/743-5758, or email Rachelle.Standley@tregocountyks.com

PAINT the TOWN – a COUNTY WIDE PROGRAM

this program provides all owner-occupants funding to freshen up their homes with a fresh coat of exterior paint. Up to \$600 in paint / supplies may be procured from Keyser Hardware in WaKeeney.

Please contact TCED for a (brief) application form.

HURRY! This program ends October 15 for the 2022 term, and won't return until May of 2023.

Please consider voting YES on the November 2022 ballot question regarding THE POINT 5 (.5% sales tax) to fund the TCED office – WE BRING GREAT THINGS TO TREGO COUNTY!

All the Best,

Cheryl Gibson, Director

Trego County Economic Development
